Busy Busy!

Sorry for the radio silence! Things have been very busy in the land of the Fox, as we prepare for our Kickoff Fundraiser next Friday (Oct. 16th) at the Island Heights YC.

To catch up a bit, Cate and I went up to the Chicago Match Race Center to watch an event on the 19th-20th of September. This was a great opportunity for us to get a handle on how things work in the match racing world. We were able to watch & video the racing from the top of the house boat, zip around on the ump boats, and even do some ride-alongs in the boats (see left) as they were racing! All-in-all it was an AMAZING learning experience! Cate & I were suffering from information overload as we took it all in!

Currently, we are gearing up for the fundraiser and anxiously waiting to compete in our first event at the Indian River YC in Cocoa, FL on November 7-8th. We hope you will be able to come
