Melbourne
The Harbor City

Smart Boating/Clean Water
Friday, June 26, 2009 10:00 a.m. – 4:00 p.m.
Squid Lips Overwater Grill
1477 Pineapple Ave., Melbourne, FL 32935

10 a.m. USCG Auxiliary

Boater Safety Presentation

10 a.m. – 3 p.m. USCG Auxiliary will conduct in-water vessel safety checks for boats under 21' at the dock at Squid Lips; boats larger than 21' should dock at the Eau Gallie Public Library. Vessel safety checks for boats on trailers will be performed in the parking lot of the Eau Gallie Civic Center across from Squid Lips on Pineapple Ave.

11 a.m. City of Melbourne Police Dept – Marine Division

The MPD Marine Division will discuss common boating violations, manatee zones, navigation tips, jet ski safe operations and other boating guidelines.

12 noon Brevard County Natural Resource Management Office

Boating and Waterways Programs and Monofilament Recycling

1 p.m. National Weather Service

Being prepared while out on the waters – are you weather-wise?

2 p.m. Florida Department of Environmental Protection

Clean Boater Program / Titusville Municipal Marina Clean Marina Program

Presentations will be held at the
Eau Gallie Public Library
1521 Pineapple Ave
Melbourne, FL 32935
