Cdr Bob Scott:

The Brevard Marine Advisory Council (BMAC), as advisors to the Brevard County Board of County Commissioners, works to support boating and marine-related activities throughout the county. Each year the BMAC coordinates events to showcase the benefits of Brevard County's unique waterways. Held each May, the *Space Coast Boating and Waterfest* spans a multitude of events from boating safety and educational presentations to sailing competitions, and fishing tournaments to family boating excursions.

In order to make our *Space Coast Boating and Waterfest* more successful, we would like to ask for your support by participating as an event organizer, sponsor or donor. Your participation will allow the *Waterfest* to continue to promote the uniqueness of our shared waterways.

If you would like to participate or have any questions, please feel free to contact me at the Brevard County Natural Resources Management Office by phone at (321) 633-2016 or by email matt.culver@brevardcounty.us. I appreciate your assistance and thank you in advance.

Sincerely,

Matt Culver, Boating & Waterways Coordinator
